Corona's Display Racks

Thank you for your interest in our fine Corona products. As you look through this catalog, you will find that Corona not only produces classically designed tools that deliver superior performance, but also racks that help you display tools in a way that ensures an attractive, attention getting, point of purchase look. Corona offers racks for your long handle and pruning tools that are both sturdy, and durable.

Please refer to the following pages for those racks that will best fit your needs.

If you would like to take it one step further and make sure your tools are well organized, we also offer labels to specify which tools will be kept on that rack.

Thank you again for purchasing our Corona products and feel free to contact our Customer Service number at 800-847-7863 or email us at sales@coronaclipper.com.
